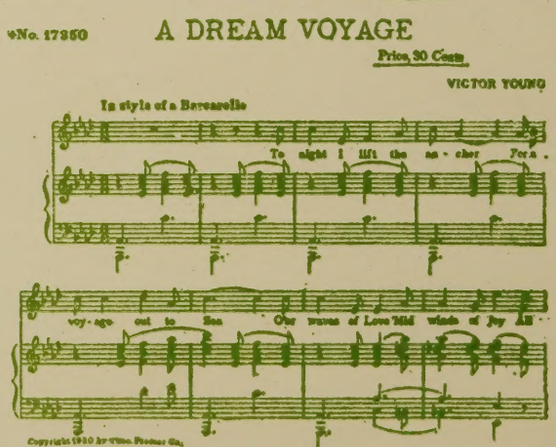
A DREAM VOYAGE



The hearty reception accorded these songs immediately following their publication warrants the belief that they are destined to become the most popular numbers in our catalog. A brief description may not prove amiss:

A ROSE TO REMEMBER

In this number Mr. W. M. Felton, a young American composer who has achieved considerable success with his compositions for the piano, has turned his talents in a new direction and the result is a most charming ballad of the better type that gives every evidence of attaining immense popularity. Published in two keys, high and low.

IF LOVE RULES THE WORLD

This is a ballad in the popular style by Walter Rolfe, composer of the famous Kiss of Spring Waltz and many other successes, both songs and piano numbers. It is published in three keys, high, medium and low.

A DREAM OF YESTERDAY

The author of this song is well known to American singers for her gift of making beautiful melodies but in this pretty little number she has quite surpassed herself. It is published in two keys, one for high, the other for low voice.

INDIAN SONG BIRD

An ancient legend of the Sioux Indians is woven into a dainty little love song. The musical setting by Mr. Lieurance is based on an original tribal melody and is written in his best vein. This song is published in four keys.

BY THE WATERS OF MINNETONKA

This remarkably successful song may be obtained as a vocal solo in four different keys, two with the original and two with a simplified accompaniment. The leading phonograph companies have made various records of it sung by the foremost artists.

YOUR COMING

A short, but most artistic encore song, with a light flowing melody, a charming sentiment and a very effective climax. Suitable for soprano or tenor voice.

A DREAM VOYAGE

Mr. Young is an American composer who is coming rapidly to the front rank as a writer of songs and ballads. In this dainty barcarolle he introduces several original ideas that lift it quite above the commonplace.
